# About Company

**Mpilo Drill & Blast Services, led by founder Michael Thamana, stands as a premier provider of specialized drilling and blasting solutions for the mining, quarry, civil, and construction industries. With over 13 years of field experience in drilling and blasting operations across coal, chrome, platinum, and quarry mines, Michael has a proven track record of delivering high-quality blasts while prioritizing the safety of mine premises and surrounding neighborhoods.**

**Our company is founded on a commitment to excellence, safety, and innovation. We pride ourselves on delivering superior quality and precise execution in all our operations, from meticulous planning to efficient implementation. By leveraging the latest technologies and adhering to the highest industry standards, we ensure that every project is executed with precision and efficiency, exceeding client expectations.**

**At Mpilo Drill & Blast Services, we are more than service providers; we are strategic partners dedicated to driving the success of our clients. Our passion for excellence, coupled with a focus on sustainability and community engagement, sets us apart in the industry. With Mpilo Drill & Blast Services, you can trust that your project is in capable hands, committed to delivering exceptional results.**

# Welcome Message

**Michael Thamana**

*CEO of Company*

Dear Team,

I am thrilled to welcome you to Mpilo Drill and Blast Services, a company committed to excellence in the drilling and blasting industry. As CEO, I am honored to lead such a talented team of professionals dedicated to safety, quality, and innovation.

At Mpilo, we believe that our success is built on the foundation of our people. We value your expertise, dedication, and commitment to delivering exceptional results for our clients. Together, we will continue to raise the bar in our industry, setting new standards of excellence and exceeding expectations.

As we embark on this journey together, I am confident that our collective efforts will drive Mpilo to new heights of success. Let us continue to work together, support each other, and strive for excellence in everything we do. Thank you for being part of the Mpilo family. I look forward to a successful and rewarding journey ahead.

Warm regards

# Vision & **Mission**

## **Vision**

**To be the premier provider of drill and blast services, setting the benchmark for excellence in the industry. We aim to be recognized for our commitment to safety, our passion for innovation, and our unwavering dedication to customer satisfaction. We strive to be a trusted partner in our clients' success, driving growth and prosperity through our services.**

## **Mission**

**To provide innovative, safe, and efficient drill and blast solutions that consistently exceed industry standards. We are committed to delivering exceptional value to our clients through our expertise, professionalism, and dedication to quality.**

# Our Values

1. **Safety First:** We prioritize the safety and well-being of our employees, clients, and the communities in which we operate. Safety is not just a priority but a core value that guides all our actions and decisions.
2. **Quality Excellence:** We are dedicated to delivering the highest quality of service, exceeding industry standards. Our commitment to quality is reflected in everything we do, from planning to execution.
3. **Innovation:** We embrace innovation to drive continuous improvement and find creative solutions to challenges. We encourage a culture of innovation where new ideas are welcomed and explored.
4. **Integrity:** We conduct our business with honesty, transparency, and fairness. We uphold the highest ethical standards in all our interactions, building trust and credibility with our clients, partners, and stakeholders.
5. **Customer Focus:** We are committed to understanding and meeting the needs of our customers. We strive to exceed their expectations and build long-lasting relationships based on trust and mutual respect.
6. **Teamwork:** We believe in the power of collaboration and teamwork. We work together, leveraging our diverse skills and experiences, to achieve our common goals.
7. **Environmental Stewardship:** We are committed to minimizing our environmental impact and promoting sustainability. We adhere to all environmental regulations and seek to implement environmentally friendly practices in our operations.
8. **Community Engagement:** We actively engage with the communities in which we operate, respecting their cultures, values, and traditions. We strive to be a responsible corporate citizen, contributing to the social and economic development of our communities.

# Our Service

## Services Offered:

1. **Drill and Blast Operations:** Specializing in precision drilling and controlled blasting techniques.
2. **Drill and Blast Designs:** Creating customized drilling and blasting plans tailored to client requirements.
3. **Bench Delivery and Continuous Transport Permit (CTP) Application:** Ensuring efficient delivery of drilling services and application of Cut to Plan techniques.
4. **Blast Monitoring:** Utilizing advanced technologies such as Seismo and drones for accurate blast monitoring and analysis.
5. **Explosives Transportation:** Safely transporting explosives to and from job sites, adhering to all regulatory requirements.
6. **Exploration:** Conducting geological surveys and exploration activities to identify potential mining sites.

# Our **Strategy**

**At Mpilo Drill and Blast Services, our strategy is built on a foundation of safety, quality, and innovation. Safety is our top priority, and we are committed to maintaining the highest standards to protect our employees, clients, and the environment. Quality is ingrained in everything we do, from meticulous planning to precise execution, ensuring that our clients receive the best possible service. We constantly strive to innovate, seeking out new technologies and processes to improve efficiency and productivity, and stay ahead in a competitive industry.**

**Customer satisfaction is at the heart of our strategy. We aim to not only meet but exceed customer expectations, building long-lasting relationships based on trust, reliability, and exceptional service. We listen to our clients' needs and tailor our services to meet their specific requirements, ensuring that they receive the best possible solution for their projects. Our dedication to customer satisfaction drives us to continually improve and innovate, delivering value that goes beyond the bottom line.**

**Sustainable growth is another key element of our strategy. We are committed to expanding our service offerings, entering new markets, and diversifying our customer base while minimizing our environmental impact. We aim to grow our business in a way that benefits not only our company but also the communities in which we operate, contributing to their economic and social development.**

# Our BBBEE Strategy

## BBBEE (Broad-Based Black Economic Empowerment) Strategy:

1. **Ownership:** We are committed to increasing black ownership in our company through the sale of shares to black investors or the establishment of employee share ownership schemes.
2. **Management Control:** We aim to increase the representation of black individuals in senior management positions through targeted recruitment, training, and development programs.
3. **Skills Development:** We invest in skills development programs to improve the employability of black individuals and enhance their career prospects within our company.
4. **Enterprise and Supplier Development:** We support black-owned businesses by sourcing goods and services from them and providing them with the necessary support and mentorship to grow and succeed.
5. **Socio-Economic Development:** We contribute to the socio-economic development of black communities through initiatives such as job creation, education, and healthcare programs.
6. **Ownership:** We are committed to increasing black ownership in our company through the sale of shares to black investors or the establishment of employee share ownership schemes.
7. **Management Control:** We aim to increase the representation of black individuals in senior management positions through targeted recruitment, training, and development programs.
8. **Skills Development:** We invest in skills development programs to improve the employability of black individuals and enhance their career prospects within our company.
9. **Enterprise and Supplier Development:** We support black-owned businesses by sourcing goods and services from them and providing them with the necessary support and mentorship to grow and succeed.
10. **Socio-Economic Development:** We contribute to the socio-economic development of black communities through initiatives such as job creation, education, and healthcare programs.

Our BBBEE strategy is aligned with the principles of transformation and empowerment, and we are committed to continuously improving our BBBEE scorecard performance.

# Our **SHEQ Policy**

## **SHEQ (Safety, Health, Environment, and Quality) Policy:**

**At Mpilo Drill and Blast Services, we place the utmost importance on Safety, Health, Environment, and Quality (SHEQ) in all our operations. Our commitment to safety is evident in our rigorous risk assessments, comprehensive training programs, and regular safety audits to ensure a safe working environment for our employees, contractors, and stakeholders. We prioritize employee health and well-being, providing access to health resources and wellness programs to promote a healthy and productive workforce.**

**Additionally, we are dedicated to environmental protection, complying with all environmental laws and regulations, and seeking ways to reduce our carbon footprint and promote sustainability. Our focus on quality is unwavering, as we strive to deliver the highest quality of service to our clients, exceeding industry standards. We maintain an effective SHEQ management system, regularly reviewing our performance to identify areas for improvement and ensure we meet our commitments to safety, health, environment, and quality.**

# ABOUT

## The Founder

Michael Thamana, founder of Mpilo Drill and Blast Services, brings over 13 years of extensive on-site field experience in the drilling and blasting department. His expertise spans across various mining sectors, including coal, chrome, platinum, and quarries mines. Michael has a proven track record of delivering high-quality blasts to meet site targets while ensuring the safety of the mine premises and surrounding neighborhoods. His commitment to excellence and dedication to safety have been instrumental in establishing Mpilo Drill and Blast Services as a trusted leader in the industry.
